

Asylum application in France – Occitanie Region

FOR WHOM AND WHY

Person requesting recognition of refugee status or the benefit of subsidiary protection, who enjoys the right to remain temporarily in the territory pending a decision by OFPRA and/or CNDA on their request for protection. If refugee status or subsidiary protection is granted, a residence permit is issued. In case of refusal, the applicant is obliged to leave the territory unless he is allowed to remain there for another reason.

Regardless of the type of protection granted (refugee status or subsidiary protection), the person concerned is not authorized to return to their country of origin.
